

Ellenbrook Eels Netball Club

2022 Spring Registration Guide

About Us

At Eels we are a Club that values family and community.

We cater for all ages, abilities and experience.

We are passionate about encouraging and supporting our players on and off the court.

We have programs and teams that cater for 7&U to adult, and we play and train at Wanneroo Districts Netball Association.

Family

We support a family environment. We aim to cater for the whole family, with programs from childhood to adult. We love to see Mothers playing with their Daughters.

Mentoring

We believe that Netball brings more than just physical benefits. Our leaders are here to mentor our players both on and off the court.

Diversity

We welcome all walks of diversity. We are involved with a wide range of programs to support an all-inclusive culture.
