# About Us

---

At Eels we are a Club that values family and community.

We cater for all ages, abilities and experience.

We are passionate about encouraging and supporting our players on and off the court.

We have programs and teams that cater for Year 2 to adult, and we play and train at Wanneroo Districts Netball Association.

## **Family**

We support a family environment. We aim to cater for the whole family, with programs from childhood to adult. We love to see mothers playing with their children.

## **Mentoring**

We believe that netball brings more than just physical benefits. Our leaders are here to mentor our players both on and off the court.

## **Diversity**

We welcome all walks of diversity. We are involved with a wide range of programs to support an inclusive culture.

# Team Formation

---

## 'Coach First' Approach

In 2024, Ellenbrook Eels Netball Club will be taking a 'coach first' approach to our team formation. This means that we will first assign coaches to teams before opening player registrations into these teams. This will help us to ensure all of our coaches have time to prepare for the upcoming season, and that all of our teams have an enthusiastic and appropriately skilled coach.

## NetSetGo Teams

In 2024, Ellenbrook Eels Netball Club will be looking to provide consistency with NetSetGo (Year 2 to 5) teams from year to year. We see the benefits from both a player development and player relationship perspective in doing it this way.

Teams from 2023 will be prioritised where possible.

We will continue to grade our teams from 12&U and above.

If you have any questions about this approach please contact us at [ellenbrookeelsnc@gmail.com](mailto:ellenbrookeelsnc@gmail.com)

# Grading

---

To ensure Eels players have equal opportunity for development, we will be grading for all age groups from 12&U and above. This will be completed with the assistance of external graders.

Grading will still be held for age groups with one team to ensure they are nominated for the appropriate division. It will be held at Wanneroo Districts Netball Association.

Grading will be held on **Tuesday 5 March**, time to be advised per age group.

Attendance at grading is mandatory, and is important for player placement in the appropriate team. All grading decisions are final, subject to agreement of the Grading Committee.

# Pre-season

---

Pre-season training will be held on Tuesday evenings from 5:30-6:30pm, commencing on Tuesday 6 February. The sessions will run for 4 weeks until Tuesday 27 February, and will cover strength and conditioning, fitness and ball skills.

These sessions are for 12 & Under and above and are highly recommended to help prepare for grading and the upcoming season.

Please bring a waterbottle and a towel each week.

Updates and courts will be advised via Facebook and Instagram.

# Volunteering

---

At Eels we rely on volunteers to help the Club run successfully. In 2024 each family will be required to volunteer for a minimum of one of our volunteering and support roles.

You will be asked to select an option when completing registration. Please contact us if you have questions about any roles at [ellenbrookeelsnc@gmail.com](mailto:ellenbrookeelsnc@gmail.com)

## Volunteering and Support Activities
